

Managers' Corner

Thank goodness for air conditioning! It sure has gotten hot quickly this summer and we hope that you're keeping cool. We are now in the "101 Critical Days of Summer" so make sure that you watch the symptoms of heat stroke and drink plenty of water while outdoors. Summer usually means family vacations and outdoor fun. Keep the Clubs in mind when you would like to beat the heat. We have a great new menu at J.R. Rockers and are open for lunch and dinner Monday-Friday with limited hours on the weekend. Let us do the cooking when family or friends are vacationing in our neck of the woods. Bring or treat them to Sunday Brunch at the Soundside and enjoy the beautiful waterfront setting. Members receive \$1 off their meals with a \$4 minimum purchase at J.R. Rockers, and a \$3 discount on Sunday Brunch – a great benefit!

The 5th Annual Bridal Expo was a huge success. We set a record with 84 brides registering and booked three weddings. Be sure to keep the Soundside and J.R. Rockers Clubs in mind when planning your next special function — birthdays, anniversaries, change of commands, promotions or weddings. Contact Phyllis Pettigrew, our Catering Manager, to book an event at either club. If it just happens to be a personal function like a birthday, you will receive a 10% discount on your food just for being a Club Member.

We now need to tell you with a heavy heart that Terese Harris, J.R. Rockers Manager, will be relocating from Hurlburt Field to Menwith Hill in England as a Club Manager. Terese has done a tremendous job while here at Hurlburt and has been the J.R. Rockers Manager since it opened in 1997. J.R. Rockers will not be the same without her and we all wish her the best in her new position. All the success that the Rockers Signature Brand has experienced is because of all the great dedicated people that have worked at Hurlburt Field as our club was the first J.R. Rockers in the Air Force. Terese has been here from the beginning and will truly be missed. Her report date will be July 23, so if you happen to see here in the Club, be sure to wish her well and continued success.

The entire Clubs Complex staff wishes you a safe and happy summer. Remember to visit the Club often "Where you belong".
